## Microchip Identification

While your pet is being groomed today we can microchip him/her for permanent identification. Every year more than 20 million dogs and cats are put to sleep because humane shelters cannot identify them or their owner. The additional cost for micro-chipping your pet during an already scheduled groom is \$58.80.

\_\_\_\_\_ Yes, please microchip my pet today.

\_\_\_\_\_ No, I do not wish to microchip my pet at this time.
